

JEANNE SAUVÉ GLOBAL PROJECT ACCELERATOR
PROUDLY PRESENTED BY THE SAUVÉ FOUNDATION

PURPOSE

The **Jeanne Sauvé Global Project Accelerator** is designed to empower Enactus teams with the resources needed to modify or expand existing projects to have an impact outside of Canada, in partnership with an Enactus team in the target country.

SELECTION CRITERIA

Successful applications will demonstrate the following:

- Identification of a definable need related to the purpose of the Project Accelerator
- Clear goals, objectives, execution plan, and reasonable budget to achieve success
- A plan to effectively empower their chosen audience through a project solution that transfers knowledge, builds capacity and incorporates solutions that focus on long-term success

RECIPIENTS

A total of \$50,000 is available to fund this Project Accelerator. The number of recipients and scale of funding will depend on the quantity and calibre of applications received.

An agreed to number of Enactus teams will receive the following benefits:

- A project grant to advance their proposed project (no maximum; request to be supported by detailed budget, including travel to target country; however, travel is not required to apply for this grant and teams may collaborate virtually)

NOTE: 75% of the project grant will be disbursed in November 2023. The final 25% will be disbursed in April 2024, upon completion of a final impact report that is deemed acceptable by the review committee.

PRIZES

Based on the outcomes of the participating Enactus teams' initiatives, along with the quality of Final Impact Reports, one (1) Enactus team will be selected to receive the 'Best Project' award, which will be presented at the 2024 Enactus Canada National Exposition.

NOTE: Prize structure is subject to change without notice.

MEASURABLE OUTCOMES

As a guideline, measurable outcomes for the **Jeanne Sauvé Global Project Accelerator** could include, but are not limited to, the following:

- Number of academic institutions participating – in Canada, and in target country
- Number of students engaged in project delivery – in Canada, and in target country
- Number of volunteer hours logged by Enactus students – in Canada, and in target country
- Number of people directly impacted – in Canada, and in target country
