CRITERION 6: TRACTION AND/OR IMPACT (20%)

How much progress has the team achieved to date? What supporting data does the team have to track their progress?

Traction and/or impact can be backed by a variety of data, depending on the type of business/project, such as number of partnerships formed, number of people directly impacted, tonnes of waste diverted from landfills, etc. For Enactus, this often links to the UN's Sustainable Development Goals.
