

# 2025-2026 PROJECT VERIFICATION FORM

Enactus \_\_\_\_\_ *[print academic institution clearly]*, hereby confirms that all projects presented are legitimate and were implemented as stated in the Challenge/Annual Report(s), audio/visual presentation, and script.

By appending our signatures to this form, we acknowledge and agree that:

- Falsely, consciously, and deliberately overstating the reach, impact, and/or qualitative and quantitative results of any project is an offense.
- It is an offense to plagiarize, claim or present a project that our team did not implement or did not contribute to. Challenge/Annual Reports and Presentation Scripts have been reviewed by the Student Leader, Faculty Advisor, and an Institutional Administrator, and include a clear distinction between **direct impact, indirect impact, reach, and project projections** as per the definitions laid out in the 2025-2026 Impact Reporting & Evaluation Guide found at <https://enactus.ca/wp-content/uploads/2025/09/Enactus-Impact-Reporting-Evaluation-Guide-2025-2026.pdf>.
- We will ensure that the presentation of anticipated/future outcomes is clearly identified as 'projections' and not as results already achieved, both in the presentation as well as in the Challenge/Annual Report(s).
- With regards to continuing projects, we will indicate in our audio/visual presentation, Challenge/Annual Report(s), and question and answer (Q&A) period the specific activities undertaken within the current program year, thereby clearly differentiating actions taken this year from those of previous years.
- We will provide any additional information and support documentation about our projects upon request by the Enactus Canada office.
- We will make available the stipulated number of copies of our annual report to the Enactus Canada office and comply with the submission of all mandatory reports by the competition date.

This form applies to Challenge Reports and Annual Reports presented this year at all levels of Enactus competitions, including the Regional Exposition, the National Exposition, and the Enactus World Cup.

***We recognize that appropriate disciplinary action(s) may be taken by the Enactus office should we not honor any of the above points. And that submission of this form is mandatory in order to compete at the Regional Exposition, National Exposition, and Enactus World Cup.***
